Organising Committee

The La Thuile World Cup stage is organised by Reveal La Thuile, in collaboration with Funivie Piccolo San Bernardo, the Municipality of La Thuile, the La Thuile Ski Club, and the entire local community, which has been united since the first edition to make this important event possible. Also playing a key role is the Autonomous Region of Valle d'Aosta, which has been supporting the organisation of major sporting events for years.

President: Marco Mosso

Vice President: Dante Berthod – Mathieu Ferraris

General Director: Corrado Giordano

General Secretary: Sara Noro

Race Director: Daniele Collomb

Slope Director: Corrado Garino

Press Accreditation Collection

Accreditations can be collected at the office located inside the TH La Thuile – Planibel Hotel complex, which also houses the main media centre.

- ❖ Relax/interview area

Sub media centre

To facilitate the work of accredited media, a sub media centre has been set up in the finish area. This space is limited in size and capacity and will be available until full capacity is reached.

Orari di apertura sub media centre

Thursday 13 – Saturday 15 March: 10:00 – 14:00

Available Facilities

- ❖ Workstations
- ❖ Wi-Fi connection
- ❖ Snack, lunch, and coffee

Press Conferences

No press conferences are scheduled at the media centre after the races. Journalists will have the opportunity to conduct interviews directly in the mixed zone. Athletes will stop for the necessary time.

Media parking

Accredited media with a valid pass will have access to the garage of the TH La Thuile - Hotel Planibel complex, which is directly connected to the building housing the main media centre and accreditation centre. However, it is recommended to use the parking facilities of the hotels where you are staying and to move around on foot.

Photographers' Access to the Slope

Access to the slope is regulated by FIS and assigned based on priority lists. The authorised photographers' armbands will be distributed by Alessandro Trovati, the official photographers' coordinator. All accredited photographers will have access to the reserved area in the mixed zone.

Crampons are mandatory to access the slope.

Public Ceremonies

The public bib draw and official awards ceremony will take place in the square adjacent to the main media centre. A designated media working area will be reserved below the stage. Access will be granted only with valid accreditation.

Reaching the Start Area

From the main media centre, two lift systems are required to reach the downhill start area. From the village, it is possible to take the Les Suches cable car or the Bosco Express chairlift, then continue with the Chalet Express chairlift to reach the downhill start. Only one lift is needed to reach the super-G start.

Photo Database

Photographic material will be made available and distributed daily and may only be used free of charge for editorial purposes. It will be provided alongside daily press releases and will always be accessible in the "media" area of skiworldcuplathuile.com.
